

REMARKS

1
2 Claims 1-11 have been presented for examination in the
3 above-identified U.S. Patent Application.

4
5 Claims 1-3 and 6-11 have been rejected in the office
6 Action dated June 27, 2006.

7
8 Claims 4 and 5 have been objected to the Office
9 Action.

10
11 Claims 1, 3, 4, 6, 7, and 10 have been amended by this
12 Amendment A.

13
14 Claims 1-11 are still in the application and
15 reconsideration of the Application is hereby respectfully
16 requested.

17
18 Referring to Paragraphs 1, 2, and 3 of the Office
19 Action, Claims 3, 4, and 7 have been objected to because of
20 informalities in each Claim kindly pointed out by Examiner.
21 Claims 3, 4, and 7 have each been amended to correct the
22 informalities pointed out by Examiner. Therefore,
23 objection to Claims 3, 4, and 7 has been answered by
24 amendment.

25
26 Referring to Paragraphs 4-12, Claims 1, 3, 6, 7, and
27 10 have been rejected as not particularly pointing out and
28 distinctly claiming the subject which the applicant regards
29 as his invention. Paragraphs 5-12 each point out an
30 ambiguity in the Claims language. Each of the ambiguities
31 pointed out by Examiner has been corrected by this

1 Amendment A. Therefore, rejection of Claims 1, 3, 6, 7,
2 and 10 under 35 U.S.C. 112 has been answered by Amendment.

3

4 Therefore, it is believed that Claims 1-11 are now in
5 condition for allowance.

CONCLUSION

1 In view of the foregoing discussion and the foregoing
2 amendments, it is believed that Claims 1-11 are now in
3 condition for allowance and allowance of Claims 1-11 is
4 respectfully requested. Applicants hereby respectfully
5 request a timely Notice of Allowance be issued for this
6 Application.

Respectfully submitted,

William W. Holloway
